What's the big deal, right? Wrong. Over the past several decades there has been a concerted effort to remove "God" and specifically Judeo-Christian principles from our nation; law by law, cross by cross, lawsuit by lawsuit. Why? Because without God, our government would not stand, our Constitution would be undeniable weakened, our rights would be determined by man, national morality determined by conscious rather than an a Biblical standard, and the concept of liberty, a ticket to do whatever feels right - all a breeding ground for chaos and oppression.

In June 1774, the Virginia House of Burgess established a national day of prayer and fasting, in January of 1781 the first English Bible was published under Congressional Patronage, December of 1800 Congress approved church services in the Capitol, and our first Chief Justice of the U.S. Supreme Court, John Jay, declared that we are a Christian nation. Our Founding Fathers understood that true liberty cannot exist without Judeo-Christian principles.

The fact is that Freedom is not free... our Founding Fathers were willing to sacrifice to establish the "greatest nation the world has ever known" for us. The torch has been passed, the choice is ours...

## A Message From One Of Our Dedicated 219 Prayer Coordinators

***"The urgency to pray for this nation has never been more pressed upon my heart as it is right now."***

I will admit a few weeks ago I was very discouraged about our political leaders and their unwillingness to have the boldness to proclaim the Word of God to our fellow citizens.....that is until I ran into Congressman Mike McIntyre over the 4th of July. Since that meeting, The Holy Spirit has revealed many passages in the Bible of the few people who changed history. He reassured me that *it only takes one and then many will follow*. Last night as I read the scriptures in Esther 5:14-17 it says "for if you keep silent at this time relief and deliverance shall rise elsewhere." I don't want it to come "elsewhere." It has to come from us! It goes on to say "for such a time is this!" I will be standing, praying, and fasting as Esther. *For we can change history with the power of prayer and the help of our Lord and Savior Jesus Christ.*" - Wendy

**Together, we are making a difference.**
