AMERICAN Prayer Caucus NETWORK

The America Prayer Caucus Network is advanced and supported by the Congressional Prayer Caucus Foundation, and exists to combat secular and hostile elements that seek to eliminate expressions of faith from public life.

State Prayer Caucuses are strategically engaging the faith community to mobilize support for religious freedom with proven efforts, events, programs and targeted initiatives.

Now with nearly 1,000 government leaders and tens of thousands of citizens, we are reaching beyond political, denominational, racial and cultural barriers to help guard God's enduring place in America.

CPCF is a non-profit, non-partisan organization established in 2005 to work alongside members of the Congressional Prayer Caucus, and to build and equip a nationwide network of like-minded federal and state government leaders committed to protecting religious freedom, preserving America's Judeo-Christian heritage and promoting prayer.
