

CONGRESSIONAL PRAYER CAUCUS FOUNDATION

Equipping and mobilizing an unprecedented national network of legislators, business leaders, faith leaders and citizens to fight for faith in their personal and public lives.

www.CPCFoundation.com

www.PrayUSA.com

Hundreds of thousands of government leaders, pastors, citizens and faith organizations are uniting in an extraordinary, nationwide initiative with a commitment to unceasing prayer for our nation.

www.InGodWeTrust.com

Inspired and equipped by the *In God We Trust - Put it Up!* initiative, thousands of city councils, government offices, courthouses, law enforcement vehicles, and schools are now displaying our Motto. More than 3 million "In God We Trust" decals are up on car, home and office windows.

www.CPCFoundation.com

United by the nationwide Faith Impact Network, faith, business and government leaders, influencers, and community activists are meeting regularly to impact their local community.

www.KeepFaithInAmerica.com

A strategic initiative to unite people of faith around the common mission of ensuring that faith, God, prayer and the Bible continue to have a place in shaping America's future.

The American Prayer Caucus Network (APCN) is the vital network of nearly 1,000 national and state government leaders built and supported by the CPCF.

- ★ State Legislative Prayer Caucuses and Alliances in 33 states with more than 850 state legislator members
- ★ Congressional Prayer Caucus with nearly 100 federal legislator members
- ★ Volunteer State Directors in 25 states coalescing support around the activities of the State Prayer Caucuses

Project Blitz	Comprehensive movement to advance religious liberty legislation throughout the nation. Equipped with support and resources provided in the Report and Analysis on Religious Freedom Measures, religious liberty legislation increased 800% each year of Project Blitz
----------------------	---

Support Networks	Leaders and citizens are connected across a broad variety of spheres of influence, united in prayer, strategic action, and advocacy to support legislator action
